Solve each problem.
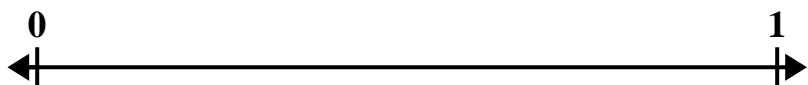

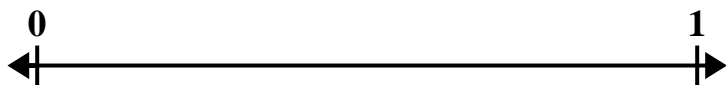

1) Partition into 4 equal pieces and label each partition.
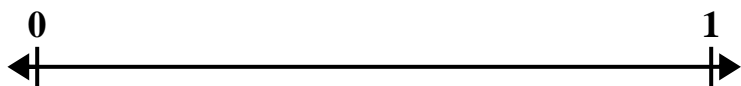

0   **1**

2) Partition into 3 equal pieces and label each partition.

0   **1**

3) Partition into 8 equal pieces and label each partition.

0   **1**

4) Partition into 6 equal pieces and label each partition.

0   **1**

5) Partition into 2 equal pieces and label each partition.

0   **1**

Solve each problem.

1) Partition into 4 equal pieces and label each partition.

0   1

2) Partition into 3 equal pieces and label each partition.
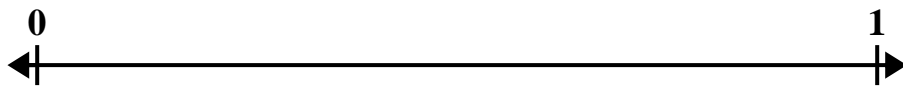

0   1

3) Partition into 8 equal pieces and label each partition.

0   1

4) Partition into 6 equal pieces and label each partition.
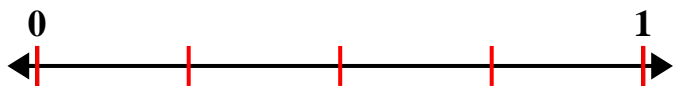

0   1

5) Partition into 2 equal pieces and label each partition.
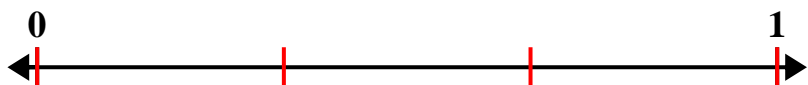

0   1
