Determine the starting time for each problem.

1) Paige finished watching TV at 6:30. If she had been watching it for 3 hours and 55 minutes, what time was it when she started?

2) Henry spent 3 hours and 10 minutes working on homework. If it was 4:25 when he finished, what time was it when he started?

3) Tiffany was helping her mom cook dinner. If they finished at 9:20 and had spent 3 hours and 35 minutes cooking, what time did they start?

4) Will was invited to a birthday party that ended at 9:25. If it lasted 3 hours and 35 minutes what time did the party start?

5) Amy went to the town carnival. She ended up staying for 3 hours and 15 minutes. If Amy left the carnival at 4:55, what time did she originally get there?

6) The school football game ended at 7:15. If the game lasted 3 hours and 50 minutes, what time did it start?

7) Olivia got out of the movie theater at 7:25. If the movie was 3 hours and 40 minutes long, what time did it start?

8) Nancy spent 1 hour and 45 minutes practicing for music. If she stopped practicing at 8:15 what time was it when she started?

9) Isabel spent 2 hours and 50 minutes cleaning her room. If she finished at 5:05, what time did she start cleaning?

10) George took a nap for 1 hour and 40 minutes. If he woke up at 5:05, what time was it when he started his nap?
Determine the starting time for each problem.

1) Paige finished watching TV at 6:30. If she had been watching it for 3 hours and 55 minutes, what time was it when she started?

2) Henry spent 3 hours and 10 minutes working on homework. If it was 4:25 when he finished, what time was it when he started?

3) Tiffany was helping her mom cook dinner. If they finished at 9:20 and had spent 3 hours and 35 minutes cooking, what time did they start?

4) Will was invited to a birthday party that ended at 9:25. If it lasted 3 hours and 35 minutes what time did the party start?

5) Amy went to the town carnival. She ended up staying for 3 hours and 15 minutes. If Amy left the carnival at 4:55, what time did she originally get there?

6) The school football game ended at 7:15. If the game lasted 3 hours and 50 minutes, what time did it start?

7) Olivia got out of the movie theater at 7:25. If the movie was 3 hours and 40 minutes long, what time did it start?

8) Nancy spent 1 hour and 45 minutes practicing for music. If she stopped practicing at 8:15 what time was it when she started?

9) Isabel spent 2 hours and 50 minutes cleaning her room. If she finished at 5:05, what time did she start cleaning?

10) George took a nap for 1 hour and 40 minutes. If he woke up at 5:05, what time was it when he started his nap?
Determine the starting time for each problem.

1) The school football game ended at 6:30. If the game lasted 3 hours and 35 minutes, what time did it start?

2) Edward spent 1 hour looking for his missing cat. If he finally found it at 6:15 what time did was it when he originally started looking?

3) Carol's parents got back from shopping at 5:10. If they had been gone for 2 hours and 5 minutes, what time did they originally leave?

4) Katie got out of the movie theater at 4:05. If the movie was 1 hour and 35 minutes long, what time did it start?

5) John spent 3 hours and 25 minutes playing video games. If he stopped to eat dinner at 8:00, what time did he originally start playing?

6) Adam finished jogging at 5:50. If he had been jogging for 2 hours, what time was it when he started?

7) Oliver's father spent 1 hour and 15 minutes working on his truck. If it was 3:25 when he stopped working, what time was it when he originally started?

8) Victor was invited to a birthday party that ended at 6:30. If it lasted 2 hours and 10 minutes what time did the party start?

9) Olivia finished watching TV at 10:15. If she had been watching it for 3 hours and 20 minutes, what time was it when she started?

10) Robin went to the town carnival. She ended up staying for 1 hour and 15 minutes. If Robin left the carnival at 5:55, what time did she originally get there?
Determine the starting time for each problem.

1) The school football game ended at 6:30. If the game lasted 3 hours and 35 minutes, what time did it start?
