

Find the average of the pair of numbers.

Answers

- 1) 248 & 124
- 2) 79 & 16
- 3) 454 & 184
- 4) 61 & 68
- 5) 64 & 71
- 6) 55 & 63
- 7) 292 & 998
- 8) 70 & 28
- 9) 75 & 94
- 10) 176 & 189
- 11) 41 & 85
- 12) 94 & 75
- 13) 72 & 64
- 14) 41 & 13
- 15) 68 & 76
- 16) 52 & 56
- 17) 56 & 92
- 18) 19 & 28
- 19) 27 & 89
- 20) 339 & 631

Find the average of the pair of numbers.

- 1) 248 & 124                       $372 \div 2 = 186$
- 2) 79 & 16                         $95 \div 2 = 47.5$
- 3) 454 & 184                       $638 \div 2 = 319$
- 4) 61 & 68                         $129 \div 2 = 64.5$
- 5) 64 & 71                         $135 \div 2 = 67.5$
- 6) 55 & 63                         $118 \div 2 = 59$
- 7) 292 & 998                       $1,290 \div 2 = 645$
- 8) 70 & 28                         $98 \div 2 = 49$
- 9) 75 & 94                         $169 \div 2 = 84.5$
- 10) 176 & 189                       $365 \div 2 = 182.5$
- 11) 41 & 85                         $126 \div 2 = 63$
- 12) 94 & 75                         $169 \div 2 = 84.5$
- 13) 72 & 64                         $136 \div 2 = 68$
- 14) 41 & 13                         $54 \div 2 = 27$
- 15) 68 & 76                         $144 \div 2 = 72$
- 16) 52 & 56                         $108 \div 2 = 54$
- 17) 56 & 92                         $148 \div 2 = 74$
- 18) 19 & 28                         $47 \div 2 = 23.5$
- 19) 27 & 89                         $116 \div 2 = 58$
- 20) 339 & 631                       $970 \div 2 = 485$

**Answers**

1. 186
2. 47.5
3. 319
4. 64.5
5. 67.5
6. 59
7. 645
8. 49
9. 84.5
10. 182.5
11. 63
12. 84.5
13. 68
14. 27
15. 72
16. 54
17. 74
18. 23.5
19. 58
20. 485
