Partition and label each shape.
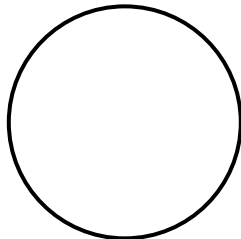

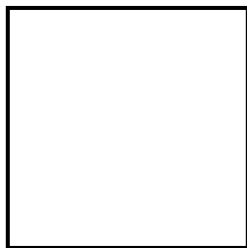

Ex) *Split the shape into 4 equal parts and label each part.*

1) *Split the shape into 8 equal parts and label each part.*

2) *Split the shape into 6 equal parts and label each part.*

**3)** *Split the shape into 3 equal parts and label each part.*

4) *Split the shape into 2 equal parts and label each part.*

5) *Split the shape into 8 equal parts and label each part.*

6) *Split the shape into 2 equal parts and label each part.*

7) *Split the shape into 3 equal parts and label each part.*

8) *Split the shape into 4 equal parts and label each part.*

**9)** *Split the shape into 6 equal parts and label each part.*
