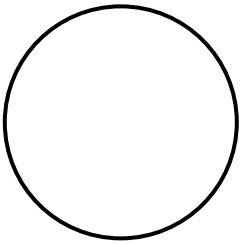
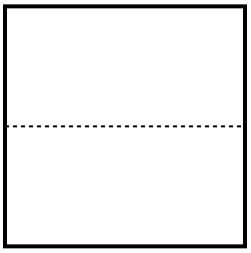
Partition and label each shape.

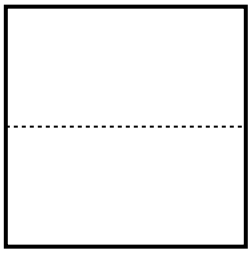
Ex) *Split the shape into 4 equal parts and label each part.*



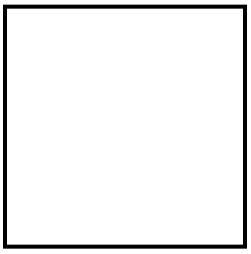
1) *Split the shape into 8 equal parts and label each part.*



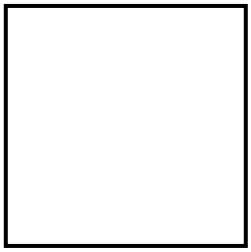
2) *Split the shape into 6 equal parts and label each part.*



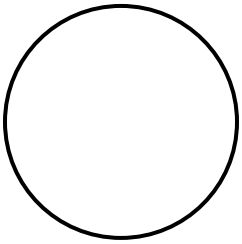
3) *Split the shape into 3 equal parts and label each part.*



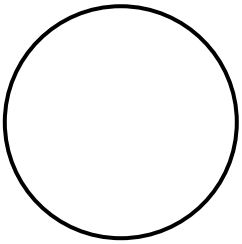
4) *Split the shape into 2 equal parts and label each part.*



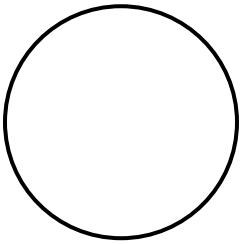
5) *Split the shape into 8 equal parts and label each part.*



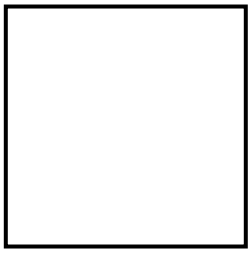
6) *Split the shape into 2 equal parts and label each part.*



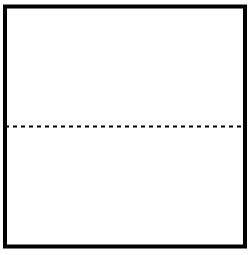
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 4 equal parts and label each part.*



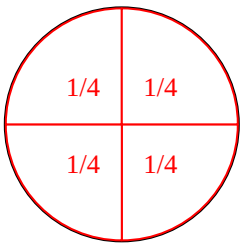
9) *Split the shape into 6 equal parts and label each part.*



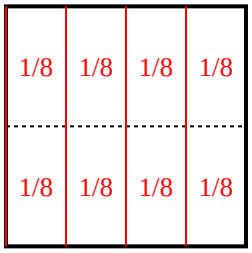
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

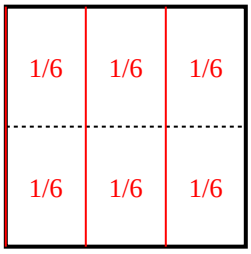
Ex) *Split the shape into 4 equal parts and label each part.*



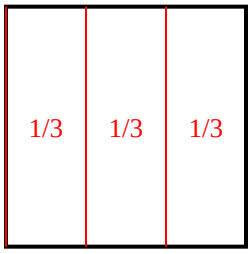
1) *Split the shape into 8 equal parts and label each part.*



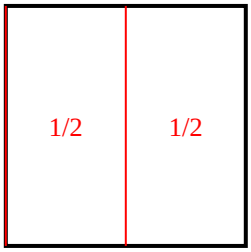
2) *Split the shape into 6 equal parts and label each part.*



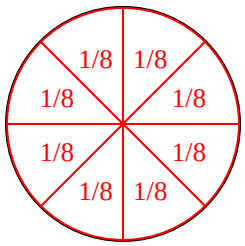
3) *Split the shape into 3 equal parts and label each part.*



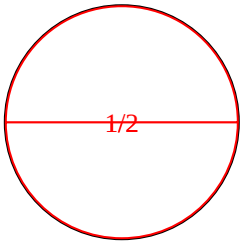
4) *Split the shape into 2 equal parts and label each part.*



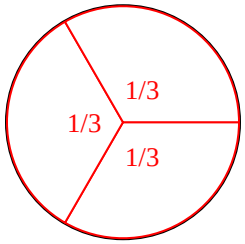
5) *Split the shape into 8 equal parts and label each part.*



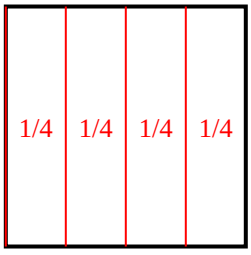
6) *Split the shape into 2 equal parts and label each part.*



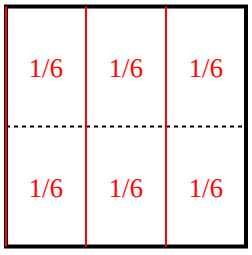
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 4 equal parts and label each part.*



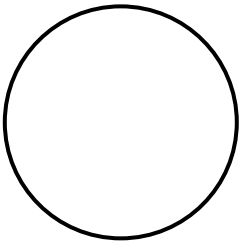
9) *Split the shape into 6 equal parts and label each part.*



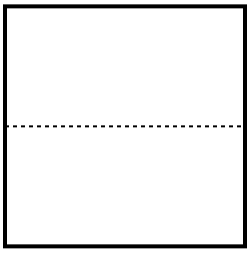
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

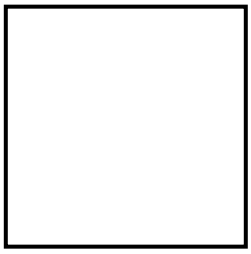
Ex) *Split the shape into 6 equal parts and label each part.*



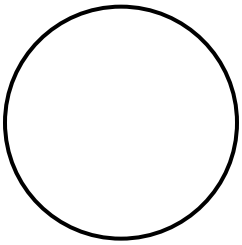
1) *Split the shape into 8 equal parts and label each part.*



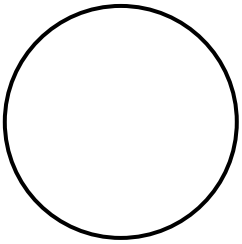
2) *Split the shape into 4 equal parts and label each part.*



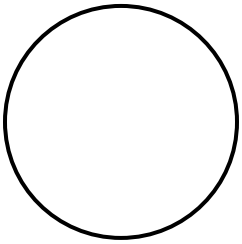
3) *Split the shape into 2 equal parts and label each part.*



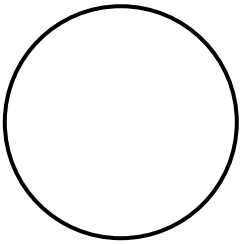
4) *Split the shape into 3 equal parts and label each part.*



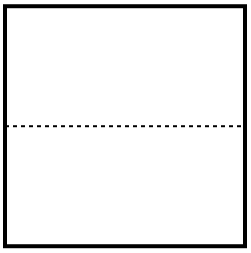
5) *Split the shape into 3 equal parts and label each part.*



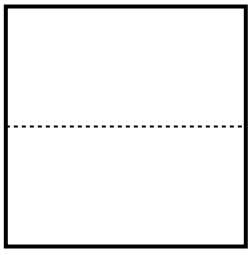
6) *Split the shape into 4 equal parts and label each part.*



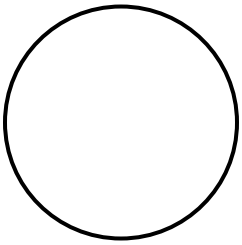
7) *Split the shape into 8 equal parts and label each part.*



8) *Split the shape into 6 equal parts and label each part.*



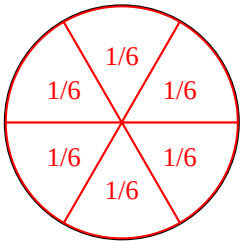
9) *Split the shape into 2 equal parts and label each part.*



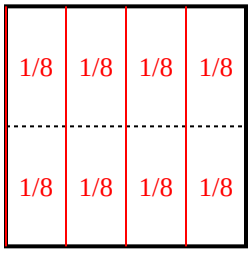
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

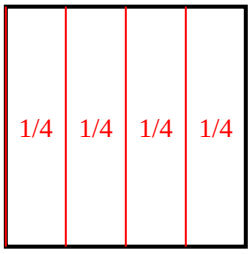
Ex) *Split the shape into 6 equal parts and label each part.*



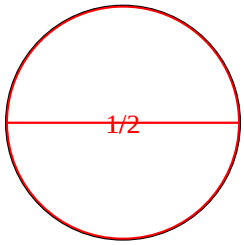
1) *Split the shape into 8 equal parts and label each part.*



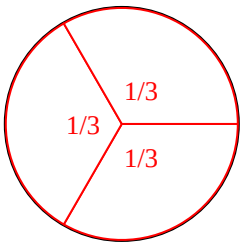
2) *Split the shape into 4 equal parts and label each part.*



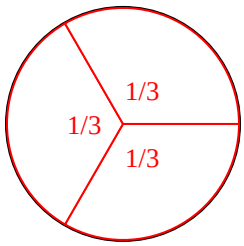
3) *Split the shape into 2 equal parts and label each part.*



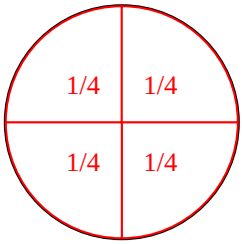
4) *Split the shape into 3 equal parts and label each part.*



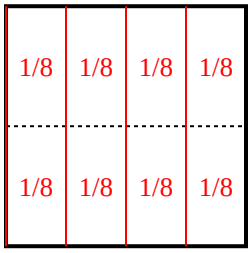
5) *Split the shape into 3 equal parts and label each part.*



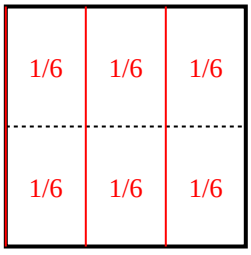
6) *Split the shape into 4 equal parts and label each part.*



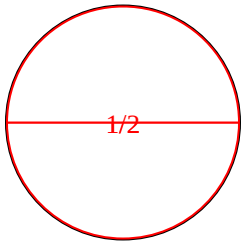
7) *Split the shape into 8 equal parts and label each part.*



8) *Split the shape into 6 equal parts and label each part.*



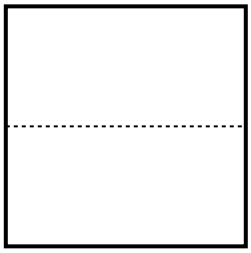
9) *Split the shape into 2 equal parts and label each part.*



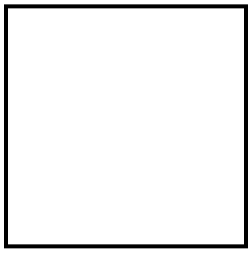
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

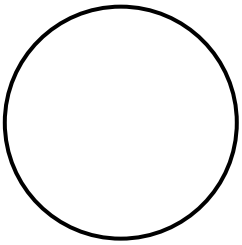
Ex) *Split the shape into 4 equal parts and label each part.*



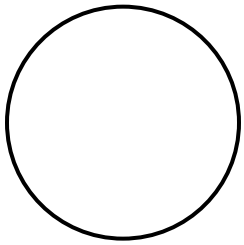
1) *Split the shape into 8 equal parts and label each part.*



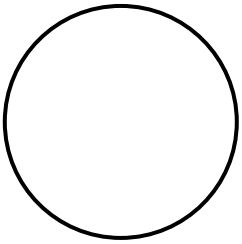
2) *Split the shape into 2 equal parts and label each part.*



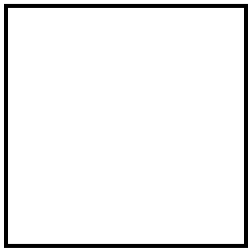
3) *Split the shape into 6 equal parts and label each part.*



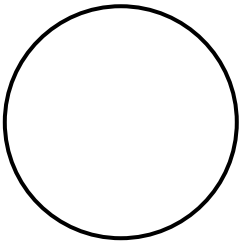
4) *Split the shape into 3 equal parts and label each part.*



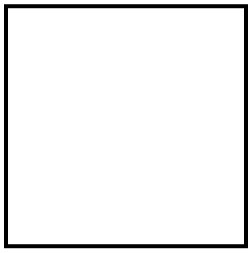
5) *Split the shape into 4 equal parts and label each part.*



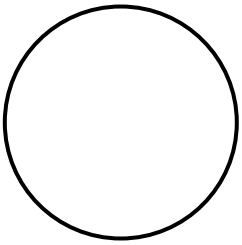
6) *Split the shape into 8 equal parts and label each part.*



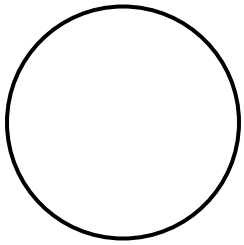
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 6 equal parts and label each part.*



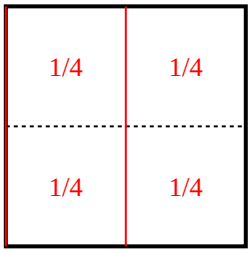
9) *Split the shape into 2 equal parts and label each part.*



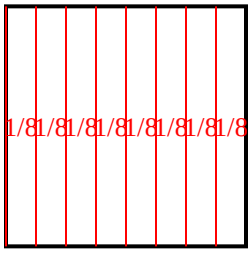
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

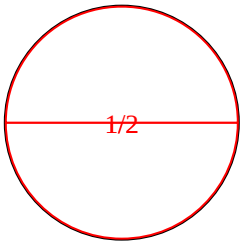
Ex) *Split the shape into 4 equal parts and label each part.*



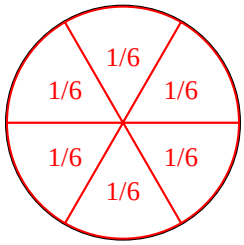
1) *Split the shape into 8 equal parts and label each part.*



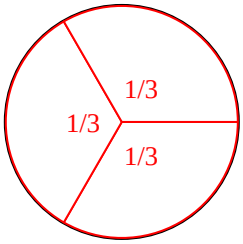
2) *Split the shape into 2 equal parts and label each part.*



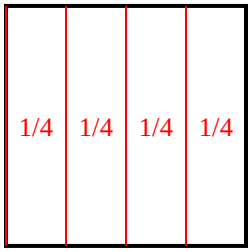
3) *Split the shape into 6 equal parts and label each part.*



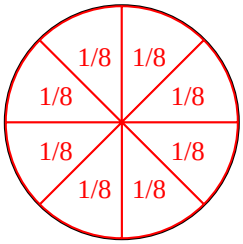
4) *Split the shape into 3 equal parts and label each part.*



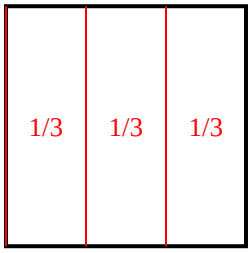
5) *Split the shape into 4 equal parts and label each part.*



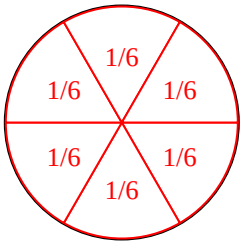
6) *Split the shape into 8 equal parts and label each part.*



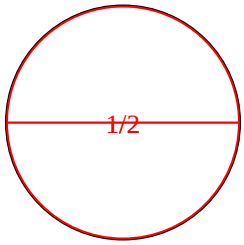
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 6 equal parts and label each part.*



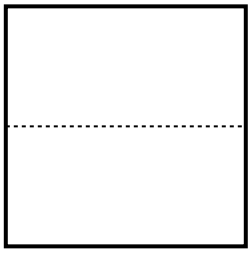
9) *Split the shape into 2 equal parts and label each part.*



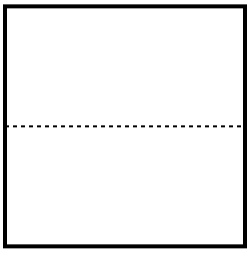
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

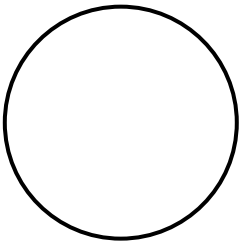
Ex) *Split the shape into 8 equal parts and label each part.*



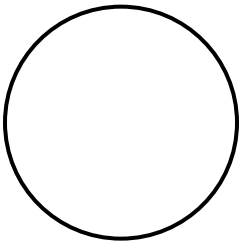
1) *Split the shape into 6 equal parts and label each part.*



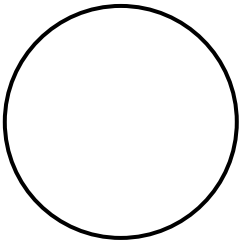
2) *Split the shape into 2 equal parts and label each part.*



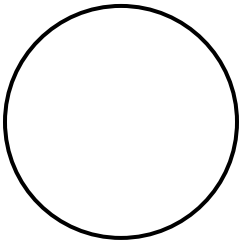
3) *Split the shape into 3 equal parts and label each part.*



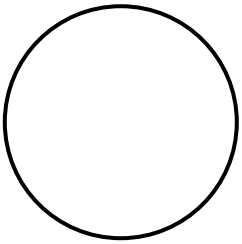
4) *Split the shape into 4 equal parts and label each part.*



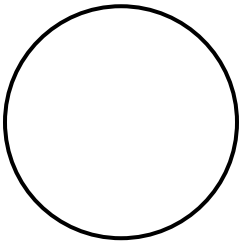
5) *Split the shape into 3 equal parts and label each part.*



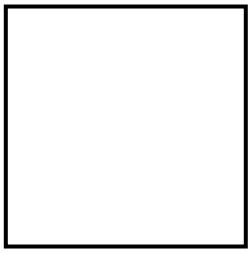
6) *Split the shape into 6 equal parts and label each part.*



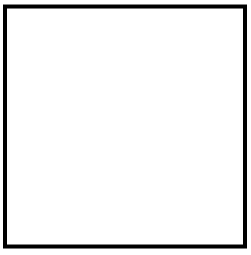
7) *Split the shape into 4 equal parts and label each part.*



8) *Split the shape into 8 equal parts and label each part.*



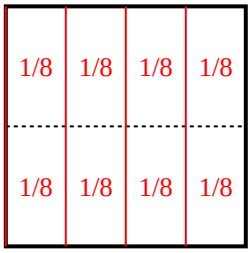
9) *Split the shape into 2 equal parts and label each part.*



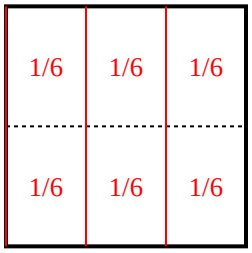
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

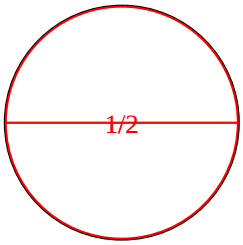
Ex) *Split the shape into 8 equal parts and label each part.*



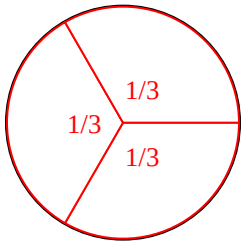
1) *Split the shape into 6 equal parts and label each part.*



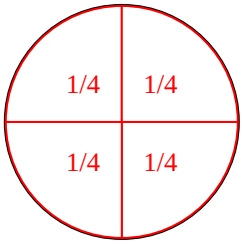
2) *Split the shape into 2 equal parts and label each part.*



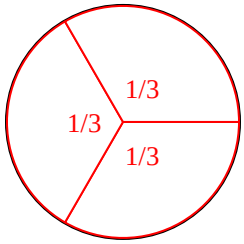
3) *Split the shape into 3 equal parts and label each part.*



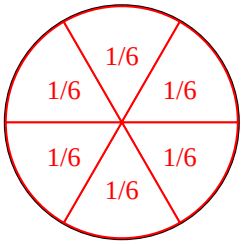
4) *Split the shape into 4 equal parts and label each part.*



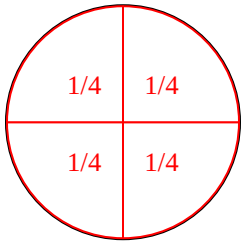
5) *Split the shape into 3 equal parts and label each part.*



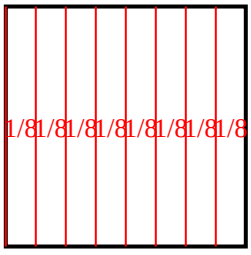
6) *Split the shape into 6 equal parts and label each part.*



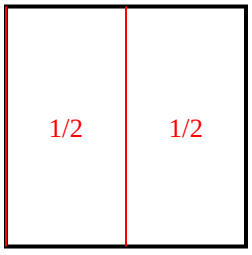
7) *Split the shape into 4 equal parts and label each part.*



8) *Split the shape into 8 equal parts and label each part.*



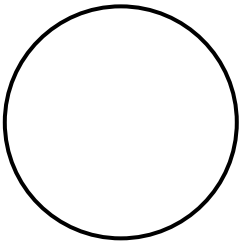
9) *Split the shape into 2 equal parts and label each part.*



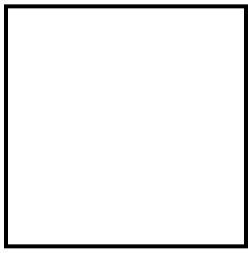
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

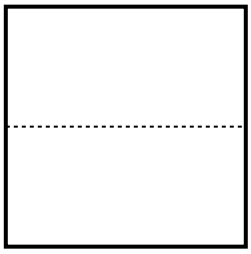
Ex) *Split the shape into 8 equal parts and label each part.*



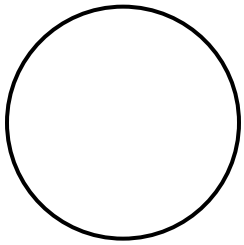
1) *Split the shape into 4 equal parts and label each part.*



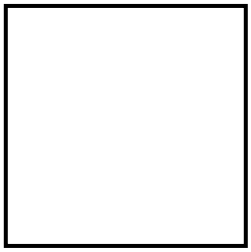
2) *Split the shape into 6 equal parts and label each part.*



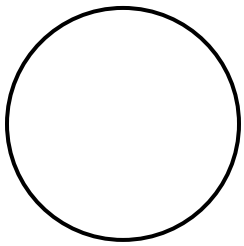
3) *Split the shape into 2 equal parts and label each part.*



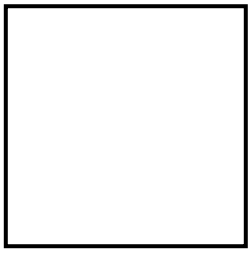
4) *Split the shape into 3 equal parts and label each part.*



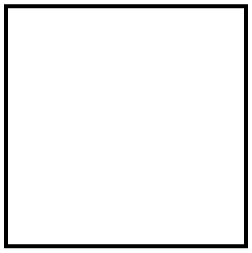
5) *Split the shape into 2 equal parts and label each part.*



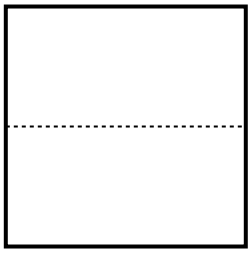
6) *Split the shape into 4 equal parts and label each part.*



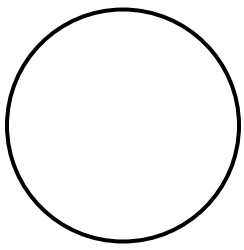
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 8 equal parts and label each part.*



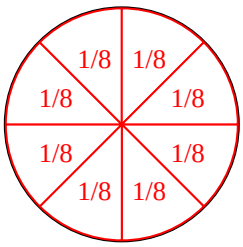
9) *Split the shape into 6 equal parts and label each part.*



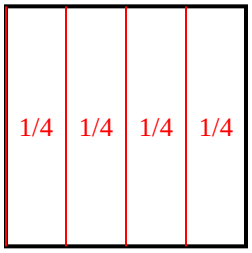
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

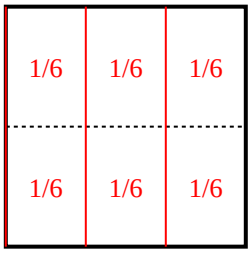
Ex) *Split the shape into 8 equal parts and label each part.*



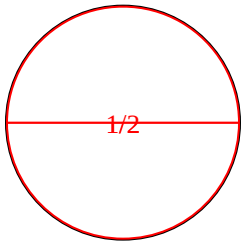
1) *Split the shape into 4 equal parts and label each part.*



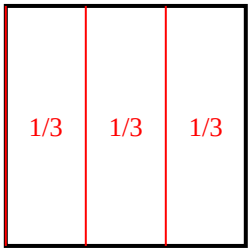
2) *Split the shape into 6 equal parts and label each part.*



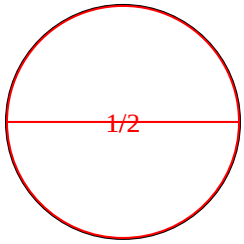
3) *Split the shape into 2 equal parts and label each part.*



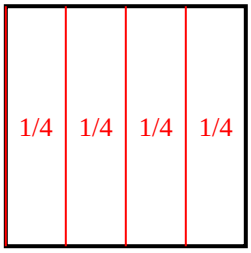
4) *Split the shape into 3 equal parts and label each part.*



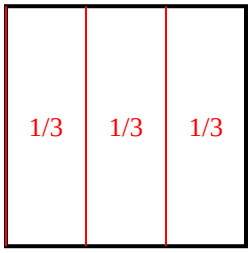
5) *Split the shape into 2 equal parts and label each part.*



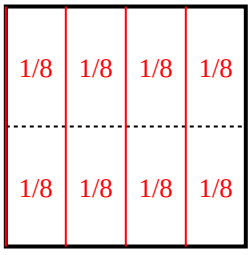
6) *Split the shape into 4 equal parts and label each part.*



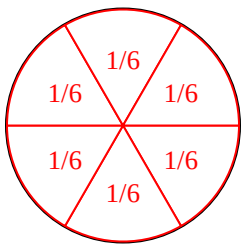
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 8 equal parts and label each part.*



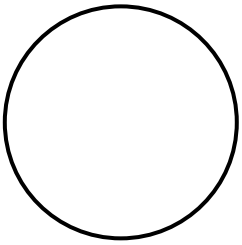
9) *Split the shape into 6 equal parts and label each part.*



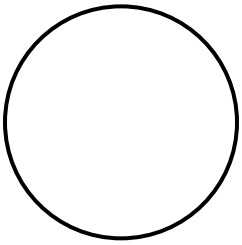
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

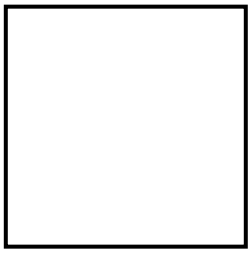
Ex) *Split the shape into 3 equal parts and label each part.*



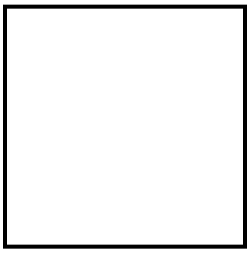
1) *Split the shape into 6 equal parts and label each part.*



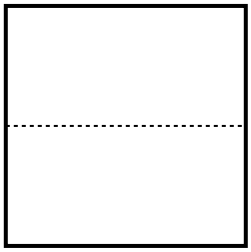
2) *Split the shape into 2 equal parts and label each part.*



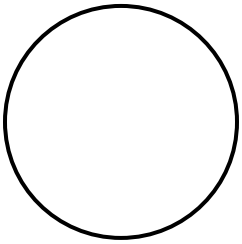
3) *Split the shape into 4 equal parts and label each part.*



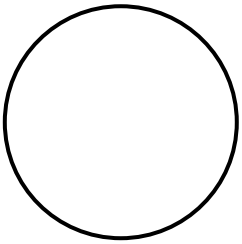
4) *Split the shape into 8 equal parts and label each part.*



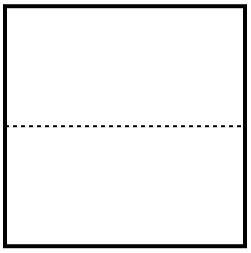
5) *Split the shape into 8 equal parts and label each part.*



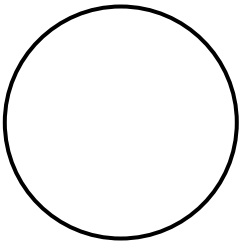
6) *Split the shape into 6 equal parts and label each part.*



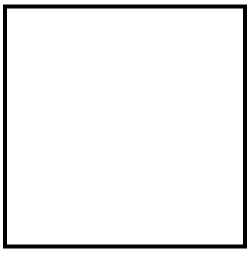
7) *Split the shape into 4 equal parts and label each part.*



8) *Split the shape into 3 equal parts and label each part.*



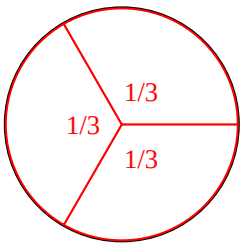
9) *Split the shape into 2 equal parts and label each part.*



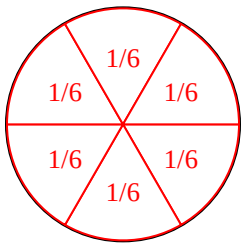
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

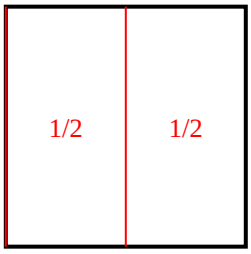
Ex) *Split the shape into 3 equal parts and label each part.*



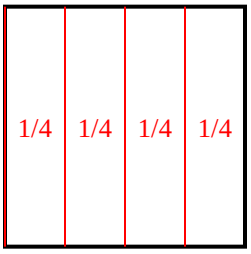
1) *Split the shape into 6 equal parts and label each part.*



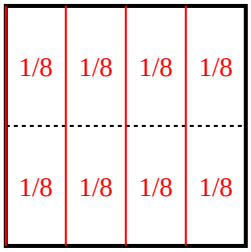
2) *Split the shape into 2 equal parts and label each part.*



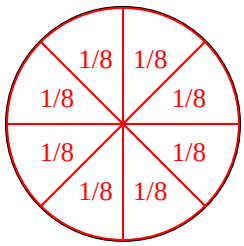
3) *Split the shape into 4 equal parts and label each part.*



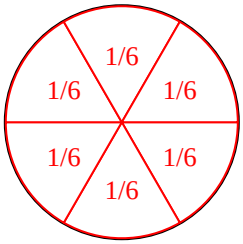
4) *Split the shape into 8 equal parts and label each part.*



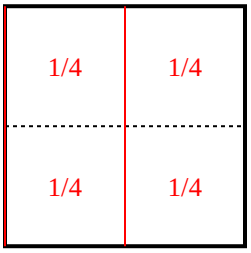
5) *Split the shape into 8 equal parts and label each part.*



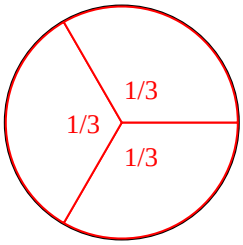
6) *Split the shape into 6 equal parts and label each part.*



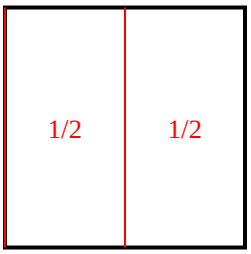
7) *Split the shape into 4 equal parts and label each part.*



8) *Split the shape into 3 equal parts and label each part.*



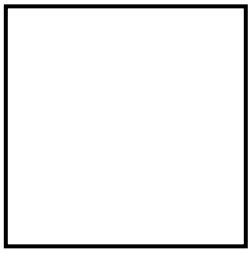
9) *Split the shape into 2 equal parts and label each part.*



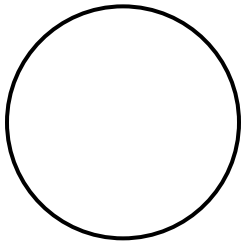
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

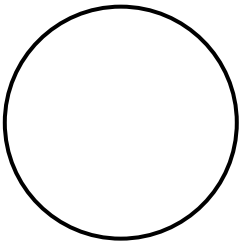
Ex) *Split the shape into 2 equal parts and label each part.*



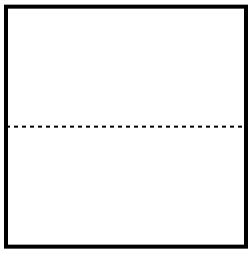
1) *Split the shape into 8 equal parts and label each part.*



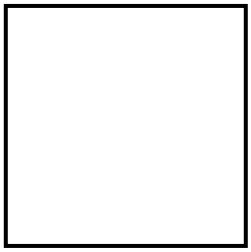
2) *Split the shape into 6 equal parts and label each part.*



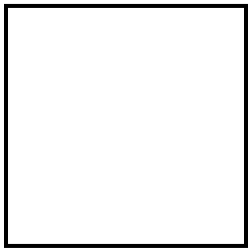
3) *Split the shape into 4 equal parts and label each part.*



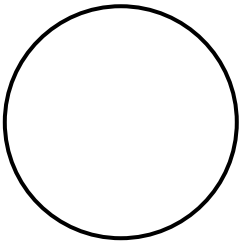
4) *Split the shape into 3 equal parts and label each part.*



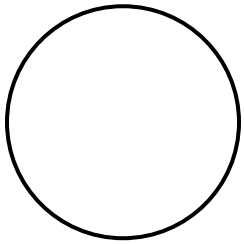
5) *Split the shape into 6 equal parts and label each part.*



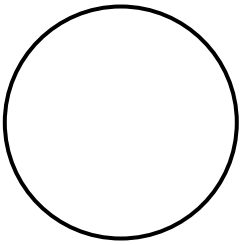
6) *Split the shape into 8 equal parts and label each part.*



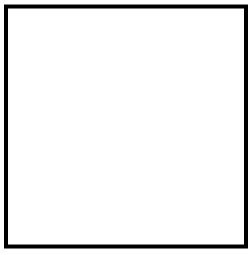
7) *Split the shape into 2 equal parts and label each part.*



8) *Split the shape into 4 equal parts and label each part.*



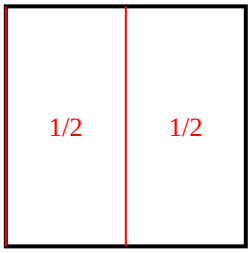
9) *Split the shape into 3 equal parts and label each part.*



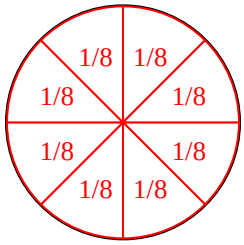
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

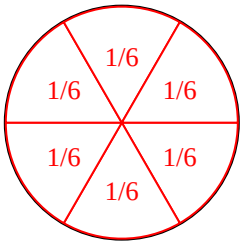
Ex) *Split the shape into 2 equal parts and label each part.*



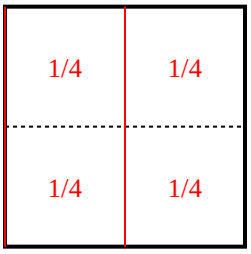
1) *Split the shape into 8 equal parts and label each part.*



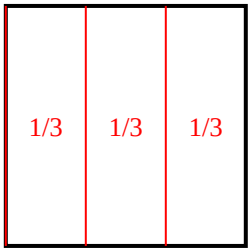
2) *Split the shape into 6 equal parts and label each part.*



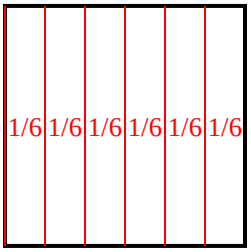
3) *Split the shape into 4 equal parts and label each part.*



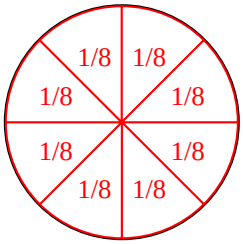
4) *Split the shape into 3 equal parts and label each part.*



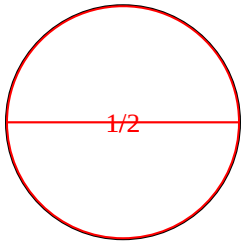
5) *Split the shape into 6 equal parts and label each part.*



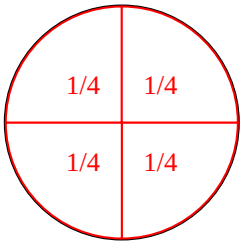
6) *Split the shape into 8 equal parts and label each part.*



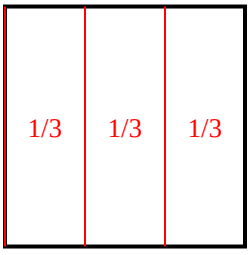
7) *Split the shape into 2 equal parts and label each part.*



8) *Split the shape into 4 equal parts and label each part.*



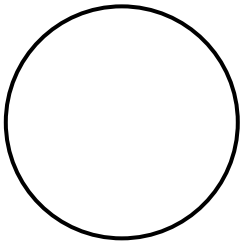
9) *Split the shape into 3 equal parts and label each part.*



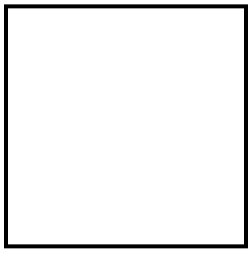
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

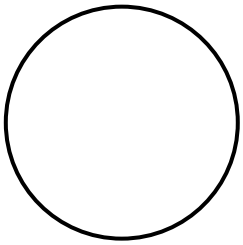
Ex) *Split the shape into 6 equal parts and label each part.*



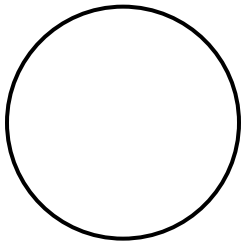
1) *Split the shape into 2 equal parts and label each part.*



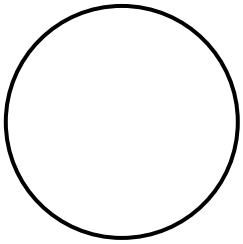
2) *Split the shape into 3 equal parts and label each part.*



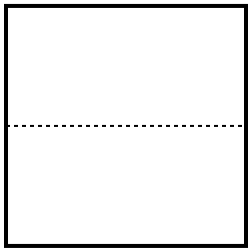
3) *Split the shape into 8 equal parts and label each part.*



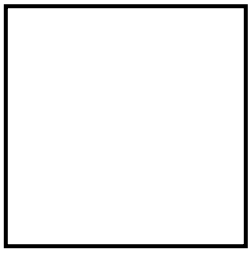
4) *Split the shape into 4 equal parts and label each part.*



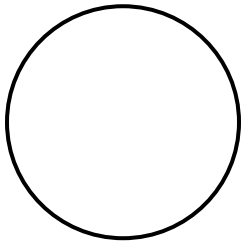
5) *Split the shape into 4 equal parts and label each part.*



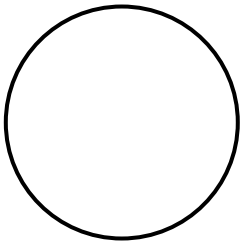
6) *Split the shape into 2 equal parts and label each part.*



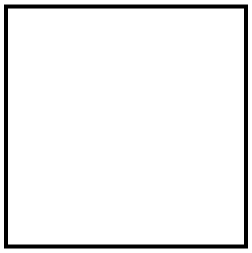
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 8 equal parts and label each part.*



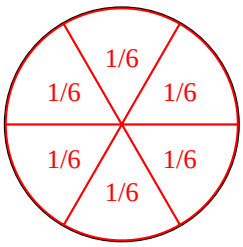
9) *Split the shape into 6 equal parts and label each part.*



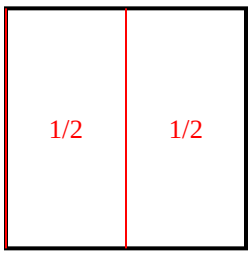
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

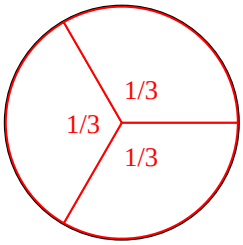
Ex) *Split the shape into 6 equal parts and label each part.*



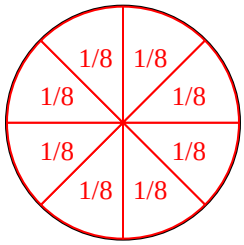
1) *Split the shape into 2 equal parts and label each part.*



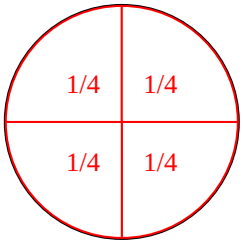
2) *Split the shape into 3 equal parts and label each part.*



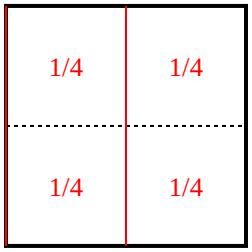
3) *Split the shape into 8 equal parts and label each part.*



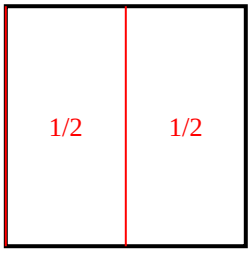
4) *Split the shape into 4 equal parts and label each part.*



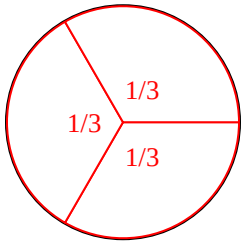
5) *Split the shape into 4 equal parts and label each part.*



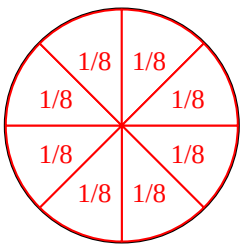
6) *Split the shape into 2 equal parts and label each part.*



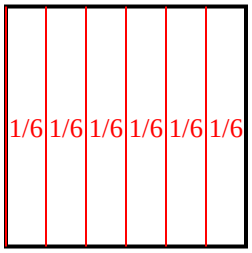
7) *Split the shape into 3 equal parts and label each part.*



8) *Split the shape into 8 equal parts and label each part.*



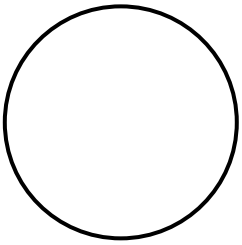
9) *Split the shape into 6 equal parts and label each part.*



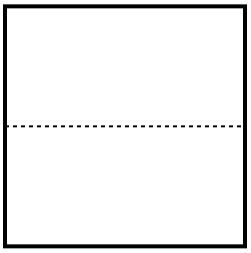
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

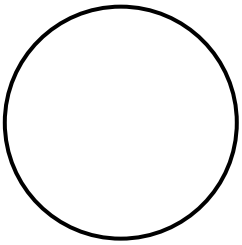
Ex) *Split the shape into 2 equal parts and label each part.*



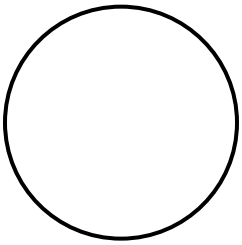
1) *Split the shape into 6 equal parts and label each part.*



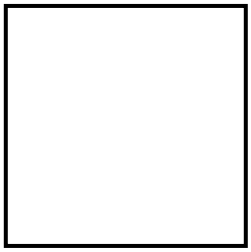
2) *Split the shape into 4 equal parts and label each part.*



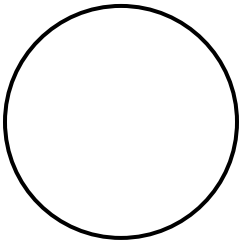
3) *Split the shape into 8 equal parts and label each part.*



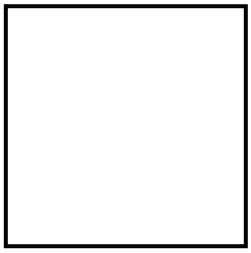
4) *Split the shape into 3 equal parts and label each part.*



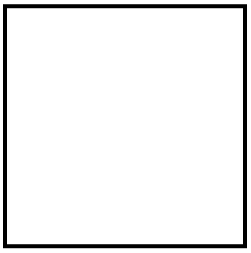
5) *Split the shape into 4 equal parts and label each part.*



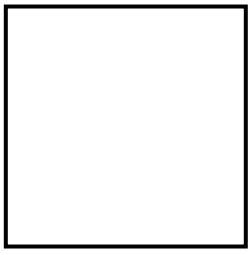
6) *Split the shape into 6 equal parts and label each part.*



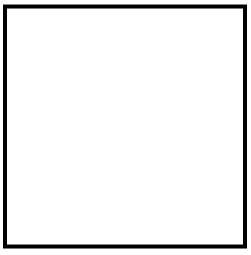
7) *Split the shape into 8 equal parts and label each part.*



8) *Split the shape into 2 equal parts and label each part.*



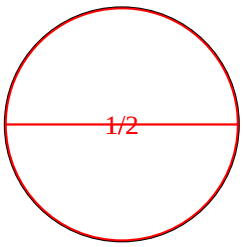
9) *Split the shape into 3 equal parts and label each part.*



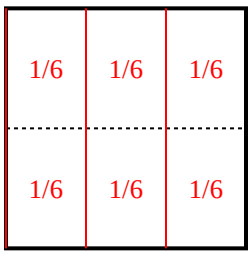
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

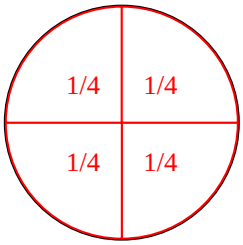
Ex) *Split the shape into 2 equal parts and label each part.*



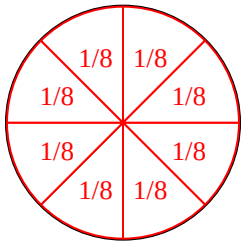
1) *Split the shape into 6 equal parts and label each part.*



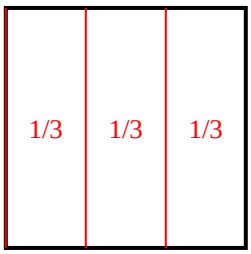
2) *Split the shape into 4 equal parts and label each part.*



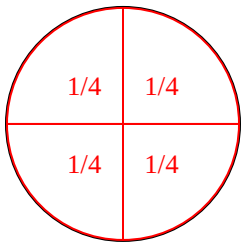
3) *Split the shape into 8 equal parts and label each part.*



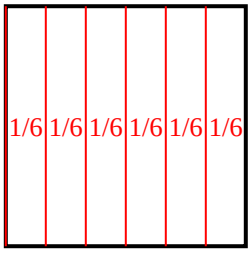
4) *Split the shape into 3 equal parts and label each part.*



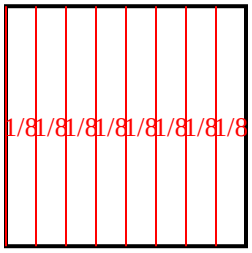
5) *Split the shape into 4 equal parts and label each part.*



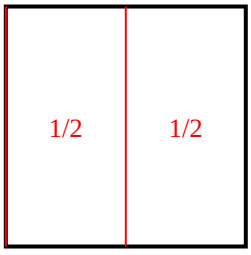
6) *Split the shape into 6 equal parts and label each part.*



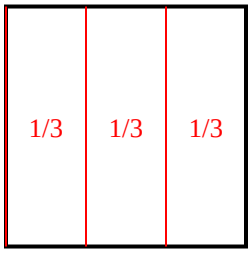
7) *Split the shape into 8 equal parts and label each part.*



8) *Split the shape into 2 equal parts and label each part.*



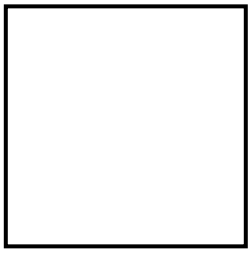
9) *Split the shape into 3 equal parts and label each part.*



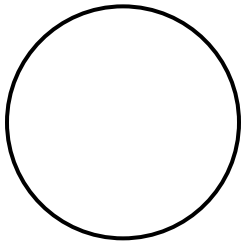
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

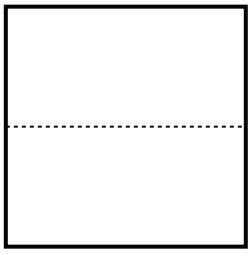
Ex) *Split the shape into 8 equal parts and label each part.*



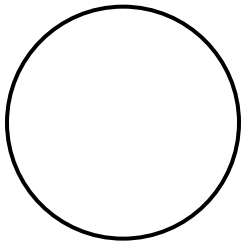
1) *Split the shape into 3 equal parts and label each part.*



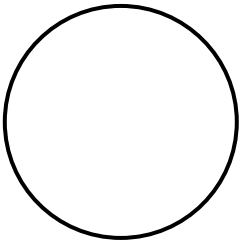
2) *Split the shape into 6 equal parts and label each part.*



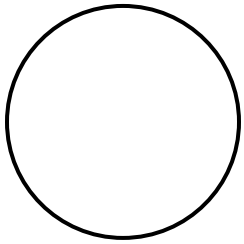
3) *Split the shape into 4 equal parts and label each part.*



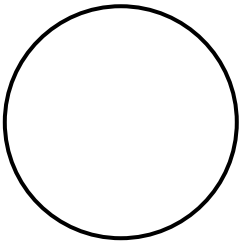
4) *Split the shape into 2 equal parts and label each part.*



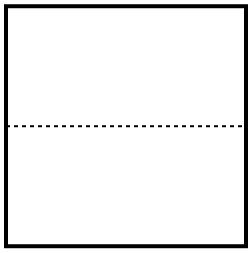
5) *Split the shape into 3 equal parts and label each part.*



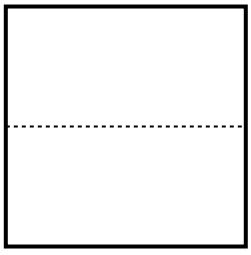
6) *Split the shape into 8 equal parts and label each part.*



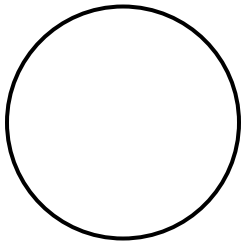
7) *Split the shape into 6 equal parts and label each part.*



8) *Split the shape into 4 equal parts and label each part.*



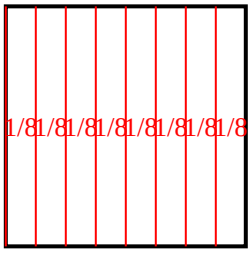
9) *Split the shape into 2 equal parts and label each part.*



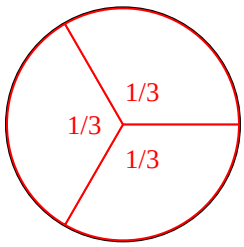
1-9	89	78	67	56	44	33	22	11	0

Partition and label each shape.

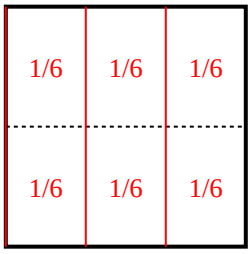
Ex) *Split the shape into 8 equal parts and label each part.*



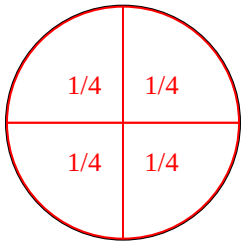
1) *Split the shape into 3 equal parts and label each part.*



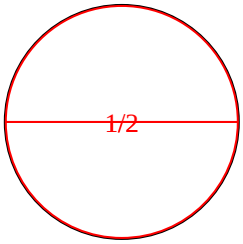
2) *Split the shape into 6 equal parts and label each part.*



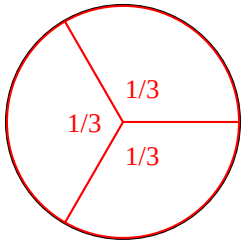
3) *Split the shape into 4 equal parts and label each part.*



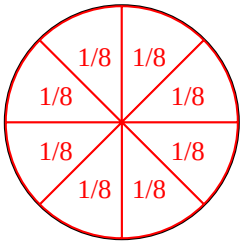
4) *Split the shape into 2 equal parts and label each part.*



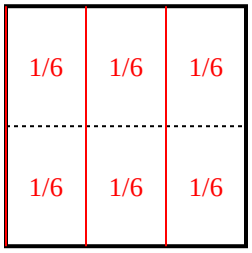
5) *Split the shape into 3 equal parts and label each part.*



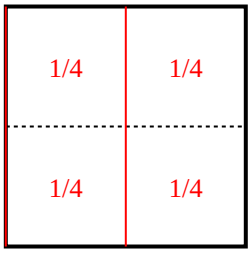
6) *Split the shape into 8 equal parts and label each part.*



7) *Split the shape into 6 equal parts and label each part.*



8) *Split the shape into 4 equal parts and label each part.*



9) *Split the shape into 2 equal parts and label each part.*
